

The screenshot shows the IBM Cloud Watson Assistant catalog page. The browser address bar displays `cloud.ibm.com/catalog/services/watson-assistant`. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (G Renuka Devi's Account). The main content area is titled "Watson Assistant" and describes it as a tool to build conversational interfaces. It features a "Create" tab and an "About" tab. On the left, a sidebar lists details: Type (Service), Provider (IBM), Last updated (11/17/2022), Category (AI / Machine Learning), and Compliance (EU Supported, HIPAA Enabled, IAM-enabled). The main content area has a "Select a location" dropdown set to "Sydney (au-syd)" and a "Select a pricing plan" section. A table lists the pricing plans:

Plan	Features	Pricing
Lite	Everything you need to get started, free for as long as you need it	Free

On the right, a "Summary" sidebar shows the service name (Watson Assistant), location (Sydney), plan (Lite), service name (Watson Assistant-t3), and resource group (Default). It also includes a checkbox for license agreements and buttons for "Create" and "Add to estimate". The bottom of the page shows a Windows taskbar with various application icons and a system tray with the date and time (13:57, 18-11-2022).

The screenshot shows the IBM Cloud Watson Assistant management page. The browser address bar displays `cloud.ibm.com/services/conversation/cm%3Av1%3Abluemix%3Apublic%3Aconversation%3Aau-syd%3Aa%2F73a647c284a94ce1a1faff45a...`. The page header is similar to the previous screenshot. The main content area is titled "Watson Assistant-zg" and shows a status of "Active". It features a "Manage" tab and a "Details" tab. The "Manage" tab has a sidebar with links for Service credentials, Plan, and Connections. The main content area has a "Start by launching the tool" section with a "Launch Watson Assistant" button and links for "Getting started tutorial" and "API reference". There is also a "Plan" section showing the "Lite" plan and an "Upgrade" button. A "Credentials" section displays the API key and URL. The bottom of the page shows a Windows taskbar with various application icons and a system tray with the date and time (13:57, 18-11-2022).

The screenshot shows the IBM Watson Assistant Lite interface. The browser tabs include (1) WhatsApp, IBM Watson Service Page, and IBM Watson Assistant. The URL bar shows a long alphanumeric string. The page header includes 'IBM Watson Assistant Lite', 'Upgrade', 'Daisy', and 'Learning center'. The main content area is titled 'Home' and features a welcome message: 'Welcome, you're in the new Watson Assistant!'. Below this, it says 'We have some exciting changes in store for you' with a 'Take a tour' button. Three feature cards are displayed: 'Faster build' (simplified build process, 6x faster), 'Easy to use' (fully-functioning assistant without heavy lift), and 'New features' (features to meet customer needs). Each card has a corresponding link: 'Get started', 'View documentation', and 'See what's new'. A sidebar on the left contains navigation icons. At the bottom, a status bar shows 'Daisy | English (US)' and 'No description'. The Windows taskbar at the bottom displays the date and time as 13:58 on 18-11-2022.

The screenshot shows the IBM Watson Assistant Lite interface with the 'Actions' page selected. The browser tabs and header are the same as in the previous screenshot. The 'Actions' page has a sidebar on the left with options: 'Actions' (selected), 'Created by you', 'Set by assistant', 'Variables', 'Created by you', 'Set by assistant', 'Set by integration', and 'Saved responses'. The main content area displays a table of actions. The table has columns: 'Name', 'Last edited', 'Examples Count', and 'Status'. There are two actions listed: 'Hi' and 'Hello', both created 6 days ago with 1 example each and a status of 'Success'. A 'New action' button is in the top right corner. At the bottom, there is a 'Preview' button. The Windows taskbar at the bottom shows the date and time as 13:58 on 18-11-2022.

Name	Last edited	Examples Count	Status
Hi	6 days ago	1	Success
Hello	6 days ago	1	Success

The screenshot shows the IBM Watson Assistant interface in a web browser. The browser tabs include (1) WhatsApp, IBM Watson Service Page, and IBM Watson Assistant. The address bar shows the URL: `au-syd.assistant.watson.cloud.ibm.com/crn%3Av1%3Abluemix%3Apublic%3Aconversation%3Aau-syd%3Aa%2F73a647c284a94ce1a1faff45...`. The page header includes 'IBM Watson Assistant Lite', 'Upgrade', 'Daisy', and 'Learning center'. The main content area is titled 'Hi' and contains a 'Customer starts with' section with a dropdown menu showing 'Hi'. Below this is a 'Conversation steps' panel with two steps: 1. 'Hi, How can I help you?' with buttons for 'OP Timings', 'Other Branch...', and '+2'; 2. 'The clinic timings is from 7:00 A.M to 10:00P.M' with a button for 'Clinic Timings'. A 'New step +' button is at the bottom of the panel. To the right, a 'Preview' button is visible. The bottom of the screen shows a Windows taskbar with various icons and a system tray displaying '26°C Mostly sunny', 'Search', and the date '18-11-2022'.

This screenshot is similar to the one above, but with a 'Preview' window open on the right side. The 'Preview' window has a title bar with 'Preview', a refresh icon, and a close icon. It contains a list of phrases: 'Greet customer [default]' and 'Welcome, how can I assist you?'. Below the list is a text input field with the placeholder 'Type something...' and a send button. The main interface remains the same, showing the 'Customer starts with' section and the 'Conversation steps' panel. The bottom of the screen shows the same Windows taskbar with the system tray displaying '26°C Mostly sunny', 'Search', and the date '18-11-2022'.
